

Tiger Joint Powers Board
Minutes
January 11, 2024
School District #1 Administration Building

Members present: Jared Kail, Krista Lobera, Lance Hopkin, James Whiting and Travis Sweeney.

Members absent:

The meeting of the Tiger Joint Powers Board was called to order at 2 pm by Mr. Sweeney.

Mrs. Lobera was welcomed to her first meeting of the Tiger Joint Powers Board.

The board discussed the offer by the Selley's for the purchase of Lot 1, Block 6. Motion was made by James Whiting and seconded by Lance Hopkin to reject the offer. Motion passed 5-0. There has been some early discussion about the possibility of the school district providing teacher housing and that particular piece of property may foot the bill in the future, therefore the offer was not accepted.

Additional discussion was held regarding remaining properties at the Business Park, Mr. Hopkin will work with the City and the Chamber to look at possibilities to increase the exposure of the available properties.

No further business was transacted at the meeting.

Respectfully submitted:

Travis Sweeney
Secretary/Treasurer, TIGER Joint Powers Board
